

Made Up Mind Ministries Parent Scholarship

It all starts at home and it all goes back to the home. The future of our city, nation, and world is directly related to how human beings are raised when they arrive to planet earth as children. Crime, homelessness, alcoholism, unemployment, teen pregnancy, obesity, suicide, bullying, school dropout rates, and mental health issues are just a few of the things that can be avoided with great parenting. In fact, **this is where you come in to play** and that's the reason for this scholarship opportunity. It is rare these days to see great parenting demonstrated through consistent behavior, manners, respect, work ethic, and academics of children. However, this does NOT have to be the case with you and your children! As long as your children are in your care then it is never too late to start parenting in such a way that will bring you joy, delight, pride and honor as a parent. What you do in your home today can and will contribute to the world tomorrow. All other efforts to reach children do not compare to the influence of parents. After nearly two decades of working with children, observations and assessments have been made to bring this scholarship opportunity to you!

Made Up Mind Ministries would like to partner with you at our training center **once a week for 12 weeks** (Monday, Wednesday, or Thursday evenings). This is a time where we will walk through our curriculum called **"Parenting God's Way."** Upon successful completion of all 12 sessions and all assignments, you will receive a scholarship in the amount of \$300. **You must apply online.**

PLEASE NOTE: You must not miss any sessions and you must complete all assignments to be successfully awarded the MUMM Parent Scholarship.

This is a commitment we are making **WITH YOU** to encourage, support, and help strengthen you as a parent and nothing less than that. **Time and chance happens to all.** This is your chance to make the time for investing in yourself as a parent and in turn your children and the world!
